

Questioning Science Conference

16-18 July 2021,

Northants

Hear cutting-edge speakers questioning scientific paradigms? Like to meet like-minded people?

Join us for this 3-day residential event subjecting scientific theory to rigorous scrutiny. Topics under the microscope include: Evolution theory, Big Bang, Germ theory, Allopathic medicine, Androgyny, Peer Review, the current Legal System and more.

Speakers include John Hamer (author of *The Falsification of History* and *The Falsification of Science*), Mark Devlin, Eve Gilmore and Gloria Moss

To hear Mark Devlin and John Hamer discussing the event go to <https://youtu.be/qVbNh3uTDk8> and for a detailed programme, email learningholidays@protonmail.com or phone 0777 1535 087
All-inclusive price for the 3 days from £289.00. www.learningholidays.webs.com

We look forward to welcoming you in July!!
