

Are you aware that the NHS is selling ACCESS to your medical data?

Your data is about to be made available to third parties and **Amazon** is interested! This is an ‘**Opt-out**’ scheme rather than ‘Opt-in’. Your data WILL be included unless you OPT-OUT. You need to Opt-out in either of two ways.

(1) Register your “**Type 1 Opt-out**” preference with your GP. You can easily search for this download PDF form online. Complete the form and return to your GP practice.

(2) Register a “**National Data Opt-out**” by completing the NHS form “Make or change a choice for yourself or a child under the age of 13”. A separate form is also available for making a choice for another adult (i.e. **power of attorney**). Download both PDF forms here:- <https://digital.nhs.uk/your-data/opting-out-of-data-sharing> - and post or email back to NHS Digital. You may be able to do this on-line: [www.nhs.uk/your-nhs-data-matters/manage-your choice/](http://www.nhs.uk/your-nhs-data-matters/manage-your-choice/) but you have to use a manual form for children under the age of 13 years. You can also make a choice by phoning the **NHS Digital Contact Centre: 0300 303 5678** and for the forms to be sent out to you. You need to Opt-out by **23 August 2021**. Are you also aware that you have also been automatically OPTED-IN for **Organ Donation**? To Opt-out (you will need your NHS number and date of birth) go to: www.organdonation.nhs.uk

Before you roll your sleeve up for a vaccine (gain of function spike protein chemical weapon) shot or another shot in the arm I strongly advise you to look at the Government MHRA vaccine adverse reactions data for yourself. Here you will find the Pfizer, Astra Zeneca, Moderna and Unspecified vaccine reports. The PDF’s weekly reports summaries information received via the Yellow Card scheme: <https://www.gov.uk/government/publications/coronavirus-covid-19-vaccine-adverse-reactions/coronavirus>

and also see “COVID-19 Vaccine Analysis Overview” at: <https://yellowcard.ukcolumn.org/yellow-card-reports>. Important - report any vaccine adverse reactions via the Government **Yellow Card Scheme**: <https://yellowcard.mhra.gov.uk>. This is voluntary and relies on the public and health professionals being aware of the Yellow Card Scheme. It is estimated that

only 1 to 10% of **vaccine adverse reactions** are being reported. Nurses are not being provided with any paperwork or forms to report vaccine adverse reactions. There are mandates passed to make sure that **the vaccine pharmaceutical corporations have no liability** for any harm, disability or death to you. There is no incentive to make the vaccines safe. The Covid-19 vaccines are being used under **Emergency Use Authorization (EUA)**. They are a **black triangle** medicine - have not been tested long term and they are still under clinical trials until 2023 to determine the safety and effectiveness. These Covid-19 mRNA vaccines can modify your own DNA and **are new and never ever been used before**. YOU ARE THE GUINEA PIG AND THE LAB RAT! Did you know the Astra Zeneca Covid-19 vaccine uses human foetal DNA? Aborted foetal cells from human foetuses. Human foetal DNA in vaccines is unsafe.

"Once the herd accepts mandatory forcible vaccination, its game over. They will accept anything - forcible blood or organ donation - "for the greater good". We can genetically modify children and sterilize them - "for the greater good". Control sheep minds and you control the herd. Vaccine makers stand to make billions. And many of you in this room are investors. It's a big win-win. We thin out the herd and the herd pays us for providing extermination services..."

Silent Weapons for Quiet Wars:

"Since most of the general public will not exercise restraint, there are only two alternatives to reduce the economic inductance of the system". – Milton William Cooper, Behold a Pale Horse:

1. Let the populace bludgeon each other to death in war, which will only result in the total destruction of the living earth.
2. Take control of the world by the use of economic "silent weapons" in a form of "quiet warfare" and reduce the economic inductance of the world to a safe level by

(Can Ivermectin, vitamin D3, vitamin C, Zinc, Quercetin, NAC (N-Acetyl-Cystein), Melatonin be used for prevention and treatment?) If you are in a situation where you don't want to be vaccinated but are being pressured, this form can help: "**Legal Responsibility Form**" to download from: <https://www.standupx.info/legal-info>. It will require the person (doctor, nurse, ect.) giving this treatment to be accountable for any resulting harm. DID YOU KNOW??? The WHO (World Health Organization) is the institution granted exclusive power to guide and protect the health and wellness of humanity. The WHO is sustained by private donations from pharmaceutical and biotech corporations which include MERK, GAVI: <https://www.gavi.org/investing-gavi/funding/donor-profiles>, NOVARTIS, SANOFI, GLAXO SMITH KLINE, PFIZER, BAYER, JOHNSON & JOHNSON, EISAI, and the BILL & MELINDA GATES FOUNDATION, the top donor to both the WHO and CDC (Center for Disease Control and Prevention or better known as the Center for Deception and Corruption). Bill Gates' Microsoft Corporations is one of the partners of CDC who is itself a vaccine company and Bill Gates is a shareholder of Pfizer. There is no doubt that the WHO is compromised with a conflict of interests! Bill Gates (proponent of eugenics and whose family are unvaccinated) said, *"Normalcy only returns when we've largely vaccinated the entire global population."*

Jacques Attali in 1981, (*then an advisor to President François Mitterrand*) said:

"The future will be about finding a way to reduce the population. We start with the old, because as soon as they exceed 60-65 years, people live longer than they produce and that costs society dearly. Next the weak, then the useless that do not help society because there will always be more of them, and above all, ultimately, the stupid. Euthanasia targeting these groups Euthanasia will have to be an essential tool in our future societies, in all cases. Of course, we will not be able to execute people or build camps. We get rid of them by making them believe that it is for their own good. Overpopulation, and mostly useless, is something that is too costly economically. Socially, too, it is much better when the human machine comes to an abrupt standstill than when it gradually deteriorates. Neither will we be able to test millions upon millions of people for their intelligence, you bet that! We will find or cause something a pandemic targeting certain people, a real economic crisis or not, a virus affecting the old or the fat, it doesn't matter, the weak will succumb to it, the fearful and stupid will believe in it and seek treatment. We will have made sure that treatment is in place, treatment that will be the solution. The selection of idiots then takes care of itself: You go to the slaughter by yourself."

Recent studies in three separate laboratories have proved conclusively that **the 'virus'** (which has been presented worldwide as an 'unprecedented' threat to future society) **does, in fact, have a precedent**. It is **NOT NEW**. These tests show that over 99% of us already possess the antibodies required to stop the Sars-CoV-2 virus (and any of its variants). The facts behind this statement are explained in detail in Professor Sucharit Bhakdi's video which can be viewed via this link:

Let us go back to our primary concern in this piece. The issue is

‘ARE YOU AWARE THAT THE NHS IS ABOUT TO SELL ACCESS TO YOUR DATA?’

This statement begs the question - ‘WHY is the NHS (*under the stewardship of the Secretary of State for Health & Social Care*) doing this at all?

If it were because the NHS is short of funding, then we could give you a few reasons why this might be the case:

Uncontrolled immigration. No government since 1972 has been able or willing to take a firm and responsible stand on the ruling of who is allowed to come to (and to stay in) our country, availing themselves of our National Health Service.

Over commitment to foreign aid. With data covering the Tory government’s policy between 2010 and 2016 we can show that your hard-earned taxes have been doled out to 146 nations overseas to the average tune of **£1.9bn** per month - YES, PER MONTH.

Cost control of medication supply to the nation by the corrupt MHRA under the supervision of the Secretary of State for Health & Social Care.

Specifically, since 1939 [Cancer Act] it has been declared illegal to describe any method of countering cancerous tumours as a CURE - only the word ‘TREATMENT is permissible.

When a working CURE **was** developed, **tested** and **proven** to be 89% successful at a cost of less than **£350.00** per course of serum treatment per patient, the developers were arrested at the behest of the same MHRA and sent to France (*under the false flag of a European Arrest Warrant*) to be imprisoned [**Guilty until proven innocent**], thus allowing their unsuccessful (2.1% *palliative*) and hugely deleterious radio- and chemo-therapy (*a mustard gas derivative*) to be forced upon the patients - at a staggering cost of **£40,000** per patient per course of treatment.
