

LIVING STONES

common law - common humanity - common sense

*We are currently snared inside a snake-pit of obfuscation. There is a pressing need for us to remain clear on the fundamental difference between **natural, divine law** and the fake, statutory legislation - which latter exists only to feed the insatiable appetite of the enemy [cf: 1 Tim 6:10]. For now, whilst we exist in their system; these are some guidelines to help us survive until we have the Truth in control again.*

6. An unrebutted affidavit becomes judgment in commerce
7. A matter must be expressed to be resolved
8. (S)he who leaves the field of battle first loses by default
