

BANKS & 'GOVERNMENTS' STAND FORECLOSED WORLDWIDE

On Tuesday December 25 2012, the One People's Public Trust (**OPPT**) announced the foreclosure of the world's commercial banks and 'governments' stemming from prior investigation into massive fraud across the entire system.

<http://i-uv.com/oppt-absolute/oppt-initial-investigation/>

What happened?

The OPPT posited to the world's banks and governments:

1. that they had, by deceptive acts and practices, been stealing from the people for hundreds of years, that
2. nothing stood between the Creator and each of the Creator's creations,

and gave due opportunity for the rebuttal of both these statements

They could not and did not rebut.

To grasp this fully, please read the Declaration of Facts at <http://i-uv.com/oppt-absolute/original-oppt-ucc-filings/> > UCC Filings > 2012 >

Declaration of Facts.

Here are two excerpts:

Government Charters Cancelled: (Refer: DECLARATION OF FACTS: **UCC Doc # 2012127914** Nov 28 2012)

common law - common humanity - common sense

“...that any and all charters , inclusive of the United States Federal Government, UNITED STATES, “STATE of ...”,inclusive of any and all abbreviations, idem sonans, or other legal, financial or managerial forms, any and all international equivalents, inclusive of any and all OFFICES, inclusive of any and all OFFICERS, PUBLIC SERVANTS, EXECUTIVE ORDERS, TREATIES, CONSTITUTIONS, MEMBERSHIP, ACTS, and any and all other contracts and agreements made thereunder and thereby, are now void, worthless or otherwise cancelled, unrebutted,...”

Bank Charters Cancelled: (Refer TRUE BILL: W DC UCC Doc# 2012114776 Oct 24 2012)

“Declared and ordered irrevocably cancelled: any and all charters for Bank of International Settlements (BIS) members thereto and thereof including all beneficiaries, including all states of body owning, operating aiding and abetting private money systems, issuing, collection, legal enforcement systems, operating SLAVERY SYSTEMS... commandeering lawful value by means of unlawful representation...”

Orders to Cease and Desist:

Attention is drawn to DECLARATION AND ORDER: UCC Doc. # 2012096074 Sep 09 2012 duly reconfirmed and ratified by COMMERCIAL BILL UCC Doc. 2012114586 and TRUE BILL UCC Doc. No. 2012 114776, which states:

Volunteers within the military... “ to arrest and take into custody any and all certain states of body, their agents, officers, and other actors, regardless of domicil by choice, owning, operating, aiding and abetting private money systems, issuing, collection. legal enforcement systems, operating SLAVERY SYSTEMS against the several states’ citizens...” and

common law - common humanity - common sense

“Repossess all private money systems, tracking, transferring, issuing, collection, legal enforcement systems operating SLAVERY SYSTEMS...”

“... all beings of the creator shall forthwith assist all Public Servants identified herein, to implement, protect, preserve and complete this ORDER by all means of the creator and the created as stated herein, by, with and under your full personal liability...”

What does this mean to you?

Are you paying a ‘debt’ to a foreclosed entity...? e.g. mortgage, credit card, car loan?

OPPT has foreclosed on hierarchy. No-one stands between you and your creator...not even ‘Crown government’.

Because a CEASE AND DESIST order exists, you are free to offer terms and conditions to individuals who are acting on behalf of a foreclosed Bank or ‘government’, by issuing a *Courtesy Notice*.

What does this mean to Banks & ‘governments’?

All beings now act in the capacity of individual entities without a corporate safety net and with full personal liability for each and EVERY ACTION THEY TAKE under common law, protected and preserved by public policy UCC 1-103 and Universal Law, which is the governing law laid out in the OPPT UCC filings. (Refer: WA DC UCC Ref Doc. # 2012113593)

common law - common humanity - common sense

Should any individual pursue any actions on behalf of a foreclosed Bank or 'government', causing another individual any damage as herein described, they in their individual and unlimited capacity are absolutely liable. Such actions may result in the receipt of a *Courtesy Notice*.

Courtesy Notice

The *Courtesy Notice* contains the information of this document and offers terms and conditions for future dealings.

Whereas Banks and 'governments' have been foreclosed worldwide...Acts, Statutes, Codes, Courts, Executive Orders etc were thereby foreclosed, thus, without a lawfully binding contract - individual to individual - no instrument exists to compel performance.

The *Courtesy Notice* offers new terms to any individual within a foreclosed entity for their acceptance and the method of acceptance is clearly defined.

Many thousands of individuals have downloaded and issued *Courtesy Notices* worldwide following this action by the OPPT in February 2013. See <http://www.i-uv.com>

What is the UCC? Where and to whom does it apply?

The Uniform Commercial Code is the 'bible' of commerce and it is used worldwide, although sometimes in disguise. UCC is not taught in law schools: it is, however, used in high-level banking and 'government' corporations. Accordingly, most lawyers, attorneys and magistrates know very little about the UCC and may argue that it has no application.

common law - common humanity - common sense

1. Executive Order 13037 dated 4 Mar 1997 defined 'humans' as 'capital'. See:

<http://americankabuki.blogspot.com.au/2013/03/us-citizens-defined-as-property-of.html>

2. UCC Doc # 0000000181425776 filed 12 Aug 2011 evidences sale of US citizens in transaction between *The Federal Reserve System* and *The United States Department of the Treasury 1789* for \$14.3 trillion (linked above)
3. UCC Doc # 2001059388 evidences the template which the Federal Reserve Bank of New York uses to secure the collateral in major banks around the world...including chattel paper, goods and the unborn young of animals (*such as unborn boys and girls?*). See:

<http://www.mediafire.com/view/?3yh79cijnzcwzu0s>

Those who would regard the UCC as irrelevant outside the US are thereby claiming that former funding arrangements with the Federal Reserve Bank of New York are null and void.

Due Diligence

Given the usage of UCC filings in the upper levels of 'government' and banks worldwide, due diligence is a necessity. Should there be a dispute, error, or falsity then make and deliver a duly verified sworn DECLARATION OF REBUTTAL to the duly verified, sworn and REGISTERED OPPT DECLARATION OF FACTS, do it point by point, with specificity and particularity, with full responsibility and liability, under penalty of perjury,

common law - common humanity - common sense

citing any statute you identify, that the foregoing is true and accurate, endorsed with your wet-ink signature.

To date, no such rebuttal has ever been registered.

All People Declared Free of Debt (Refer Notice of Declaration of Absolute Truth UCC# 2013032035)

The final filing of the OTTP occurred on **Monday 18 March 2013**. This document terminated all remaining man-made entities and returned all people of this planet to absolute freedom. In that document the creator is referred to as '*absolute essence*' and all created people are referred to as '*absolute essence embodied*'.

Article VI of the document states... '*I duly verify, with full responsibility and liability, by DECLARATION OF ORDER. that eternal essence IS made transparent and known by the DOing of any and all embodiment of eternal essence within the eternal essence's universe, IS free and free of debt, un rebutted.*'

This means THERE IS NO DEBT

You have no debt... No-one has debt...it is done.
